### **VET'S AID WELFARE HOUSING ( known as Home-Key ).**

The Otto Duke shadow budget for 2026-27 under Proposition 1 recognizes and rewards California veterans who serve our country including Otto Duke's granddad Loram Pollack, U.S. Armed Services.

It provides \$4 billion to build permanent supportive housing for California veterans and individuals with PTSD & other mental illnesses at risk for homelessness.

Furthermore, the budget gives veterans the chance to achieve the American dream of homeownership through direct low-cost loans.

Provides the state's aged or disabled veterans with vital rehabilitative, residential, and medical care and services.

Allocate funds to allow California veterans and their families to direct representation in presenting their claims and appeals for benefits before the U.S. Department of Veterans and the federal Board of Appeals.
